Motion to Accept Late Filing of Sentencing Memorandum

The Defendant in the above-entitled matter moves this Honorable Court to accept the late filing of her Sentencing Memorandum.

As reasons therefore,

1. Defendant's attorney is a sole practitioner and currently has an unusually heavy trial schedule.
2. Defendant's attorney recently was retained and had difficulty obtaining the case file from Defendant's former attorney.

Therefore the Defendant respectfully requests that this Honorable Court accept her Sentencing Memorandum two days late.

Respectfully Submitted,
Yvelisse Gonzalez
